

The logo consists of the letters «bqn» in a light green, lowercase, sans-serif font, enclosed in double green chevrons. The background features a collage of images showing motion-blurred cars on a road, with green and white geometric shapes overlaid.

«bqn»

A series of overlapping, motion-blurred images of cars on a road, presented in a chevron shape pointing to the right. The colors are primarily green and white, matching the overall theme.

WE PUT DRIVERS
BACK IN THE
DRIVER'S SEAT

Whether driving for some extra cash or trying to build a full-time business, we enable your direct relationship with local businesses.

A large, stylized chevron graphic pointing to the right, filled with a blurred image of a city street and cars. The chevron is outlined in white and green.

MEAN FOR YOU

HYPER-LOCAL ...
NOT
CORPORATE

Work as much or as little as you want - build your own business. You own the relationship with the merchant for future deliveries and ongoing needs.

We are invisible to you and your merchants - we get out of your way. «bqn» is simply the platform enabling the relationships between local drivers, local merchants and local customers.

How is «bqn» different?

- » You have relationships with the merchants
- » Time based model - You are paid for your estimated time, traffic and weather conditions, etc.
- » Transparent payouts before you accept the delivery
- » Combine multiple deliveries into a single "run"
- » Different delivery urgency pays different rates
- » Flexible pickup on your schedule, no need to drop everything now
